

OXFORD CO. ADVERTISER.

FRIDAY, OCTOBER 13, 1882.

(Entered as Second Class mail matter.)

TERMS: \$2.00 per year. When paid in advance \$1.00. All papers sent out of the county must be paid for in advance.

Address: S. DE VEE & CO., Proprietors, Norway, Me.

To Our Readers.

We greet our subscribers this week with the Advertiser enlarged to a seven column folio. We hope it will receive a favorable reception and the approval of our readers. We shall now be able to give more reading and make a better paper. We can also better accommodate our increasing advertising patronage. Those merchants who have promised us advertisements, and as yet have failed to hand them in, we hope will be reminded to do so at once.

We wish to thank our local correspondents for their past assistance and hope that they may continue to send in the items and the new subscribers. We want all the local items. Everything that is of public interest will be gladly received at this office.

We shall now have room to publish biographical sketches, reminiscences, historical sketches, that are of interest to the good people of Oxford County. We shall gladly receive all such articles and give them place in the paper. Send them along.

We would ask the assistance of all our readers in extending the circulation of the Advertiser. Send it to your distant and absent friends, invite your neighbors to take it and remember that we always want all the local news.

We will send the Advertiser on trial to new subscribers from now to Jan'y 1, 1883 for twenty-five cents. Send in the names.

At our office we do all kinds of plain and fancy job printing. Should any of our readers want job printing of any kind, they will do well to call on us. We do good work and charge only a fair price for it.

South Paris.

The fair has come and gone and left us all tired and glad to get a rest from the bustle and hurry.

Last Monday 30,000 cans of succotash were labelled at the factory of Burnham & Morrill in this place.

J. D. Williams and E. M. Thayer have traded their black mare to Chas. Walker of Portland.

Horace Bolster is repairing his stable.

Mr. Jebodee Perry and wife were in town this week.

We noticed the genial face of Ed. Seaton as we passed by the hotel Monday to see you once more, Ned.

Brown and wife are in town this week, stopping at Alva Shurtliff's.

Will Curtis is at home on a short vacation.

The Savings Bank is being repainted and fitted up inside.

Mrs. Stowell's new tenement house on Church St. will soon be finished.

The corn shop book will be open for inspection about the middle of next week.

Chas. Lucas and wife will board with Newell Cook.

The total number of cans filled by Messrs. Burnham & Morrill at their factory in this place in round numbers is 470,000. Had the season been good it would have been not far from 700,000. The largest days work was about 26,000.

Horace Thayer is about to open a paint shop we understand. Horace is a first-class workman and will doubtless give satisfaction to all who employ him.

We noticed the familiar face of W. H. Penfold, our former operator in town last week. Glad to see you, Will. A. W. Bailey will open a blacksmith shop in the old Howe store, opposite the depot.

Dr. J. Davis, formerly of Norway, has moved into the office formerly occupied by Dr. Hall, and he is prepared to give satisfaction to all who employ him.

F. A. Herring, the piano and organ harmonizer is in town.

The Oxford County Musical Association will hold its Seventh Annual Session here Oct. 24, 25, 26 and 27, closing with a grand concert Friday evening, assisted by the best talent of Portland and Lewiston. Prof. Kotzschmar of Portland, Director; Henry Murray, Pianist; Mrs. Tewksbury, Organist.

In another column will be seen the professional card of Messrs. Wilson & Greenleaf. The junior member of the firm read last with Mr. Wilson and the fact that he has entered into partnership is a sufficient compliment in itself.

Prof. W. Bergman the celebrated Russian optician is in town on his annual visit. He is stopping at the Andrews' House. It will be decidedly to the advantage of all in need of patronage to see him, as from a correct knowledge of the eye he can tell from examination just what is needed to supply the defect in sight. He has many cases to his credit, who are ready to testify to his ability.

Mr. Hill has sold her residence to W. Bonney.

Will occupy the W. S. Goveall.

Mr. Ralph is

Oxford County Fair.
